

# APPLICATION FOR DESIGN/DRAWING APPROVAL

(Under The Electric Lighting Act 1973 – Jamaica)

*For Use In Requesting Electrical Design/Drawing Approval*

Government Electrical Inspectorate (GEI)

**Please PRINT or type all information in INK**

FORM: RDA-100

Project Title: \_\_\_\_\_ Drawing #: \_\_\_\_\_ Receipt #: \_\_\_\_\_

### Section 1: Submittal Details

Initial Submission:  Re-Submission

Submitted By: Consultant (PE)  Supply Authority  Electrical Contractor

Design/Drawing Endorsed By Supply Authority?: \_\_\_\_\_

### Section 2: Site Information (Property Under Consideration)

Owners Name: \_\_\_\_\_ Address 1: \_\_\_\_\_

Address 2: \_\_\_\_\_ Parish: \_\_\_\_\_

### Section 3: Low Voltage Information

Size Service Main: \_\_\_\_\_ Single Phase?  Three Phase?

Number of Meters: \_\_\_\_\_ Supply Voltage: \_\_\_\_\_

### Section 4: High Voltage Information

Description of Extension: \_\_\_\_\_ Supply Voltage: \_\_\_\_\_

### Section 5: Variances

Do Variance(s) Exist?: \_\_\_\_\_ Is Request for Variance Form Attached: \_\_\_\_\_

### Section 6: Applicant's Declaration

I apply for approval of electrical design/drawing for the above project. I certify that I have checked each page of the design/drawing submission and except for the variation(s) stated above in Section 5 and Form RVA-100, the design meets the requirements of the Electrical Lighting Act and related standards and codes

### Section 7: Consultant (PE)/Supply Authority

Name: \_\_\_\_\_

Address 1: \_\_\_\_\_

Address 2: \_\_\_\_\_

Phone #: \_\_\_\_\_ Fax #: \_\_\_\_\_

Date: \_\_\_\_\_

Signature & Stamp: \_\_\_\_\_

### Section 8: Electrical Contractor

Name: \_\_\_\_\_

Address 1: \_\_\_\_\_

Address 2: \_\_\_\_\_

Phone #: \_\_\_\_\_ Fax #: \_\_\_\_\_

Date: \_\_\_\_\_

Signature & Stamp: \_\_\_\_\_

- Note:**
1. Designs/drawings should be submitted to the GEI office having jurisdiction at least one month prior to the planned start of work.
  2. Installation work should proceed only after receiving design/drawing approval from GEI.
